WIRELESS TELECOMMUNICATIONS BUREAU ACTION
REGION 51 (EAST TEXAS) 700 MHz
PUBLIC SAFETY REGIONAL PLANNING COMMITTEE
TO HOLD MEETING

The Region 51 (East Texas) 700 MHz Public Safety Regional Planning Committee will hold its next planning meeting on Wednesday, February 15, 2006 at 9:30 a.m., at the Missouri City Police Department, 3849 Cartwright Rd, Missouri City, Texas 77459. The purpose of the meeting is to continue the allocation planning process of the 700 MHz spectrum for public safety in Region 51.

The Region 51 (East Texas) 700 MHz Public Safety Planning Committee meeting is open to the public. All eligible public safety providers whose sole purpose or principal purpose is to protect the safety of life, health, or property in Region 51 would utilize these frequencies. It is essential that not only public safety, but all government, Native American Tribal, and non-governmental organizations eligible under Section 90.523 of the Commission's Rules be represented in order to ensure that each agency's future spectrum needs are considered in the allocation process. Administrators who are not conversant with telecommunications technology should ensure that their respective agencies are represented by suitably conversant staff.

All interested parties wishing to participate in the planning for the use of new public safety spectrum in the 700 MHz band are encouraged to attend. For further information about the meeting, please contact:
